

HOW NETFLIX BUILDS CODE

Rahul Somasunderam

WHAT DOES A TEAM LOOK LIKE?

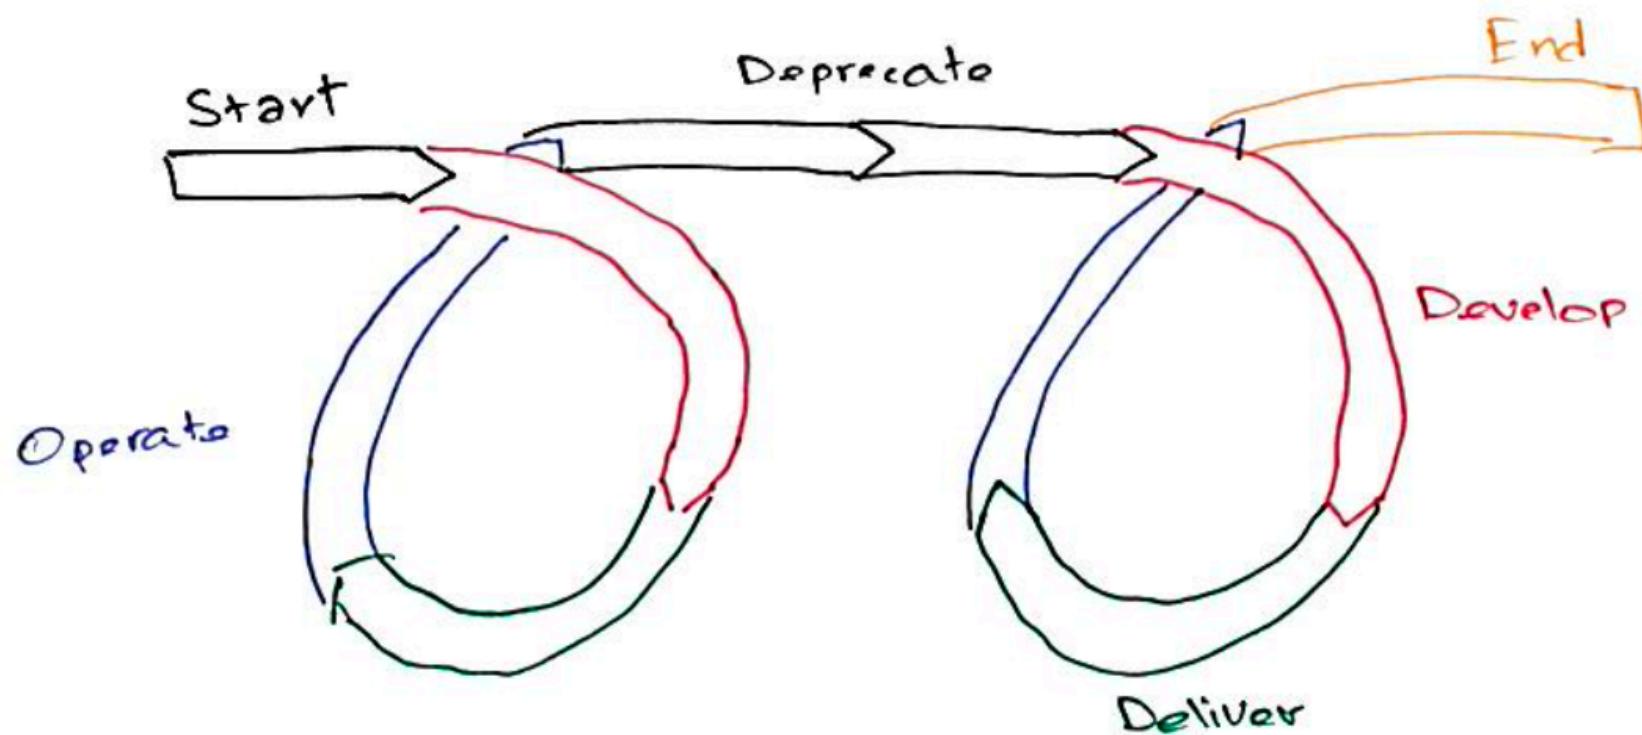

HOW DOES A NETFLIX TEAM LOOK LIKE?

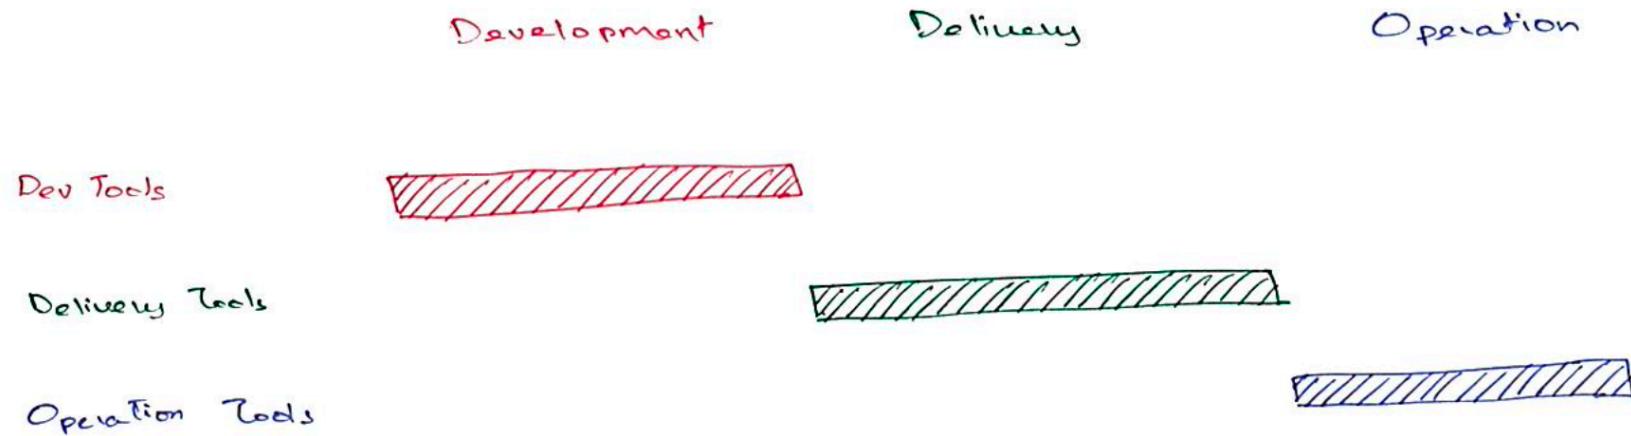

WHAT IS THE FULL CYCLE?

WHAT IS SUPPORTED?

WHAT KIND OF TEAMS SUPPORT THESE TOOLS?

WHAT IT REALLY LOOKS LIKE

GUARDRAILS, NOT GATES

THE UNPAVED ROAD

A photograph of a team of cyclists performing a team time trial on a paved road. Five cyclists in yellow and black MTN-Qhubeka jerseys are riding in a tight group. In the background, a silver car with "MTN QHUBEKA" on its front bumper follows them. A large truck with bicycles on its roof is parked on the side of the road. Spectators are visible behind a blue barrier. The text "THE PAVED ROAD" is overlaid in a large, bold, black font.

THE PAVED ROAD

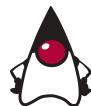

WHAT WE SUPPORT

- 🙌 A few thousand users
- 🙌 A few hundred teams
- ~45k repositories
- ~45k job definitions
- ~600k builds per week
